

# Enlightenment awaits ! Join your colleagues at the new **SVSE Digital Salon**

for demos & discussions of all things media interactive

sa-lon (sə-lŏn', sāl'ŏn', sā-lŏn') n.

1. A large room, such as a drawing room, used for receiving and entertaining guests.
2. A periodic gathering of people of social or intellectual distinction.
3. A hall or gallery used for the exhibition of works of art.

A periodic gathering of noted persons, salons thrived in the Enlightenment.

— Webster's Unabridged Dictionary
